

About Recharge Women's Conference:

Purpose: To help women overcome the winter in their lives through spiritual renewal and female Christian fellowship.

Create in me a clean heart, O God, and renew a steadfast spirit in me. Psalm 51:10

Many women's conferences happen in the fall and late spring. Here in CNY, these are high-activity months because the weather is good. But in the middle of winter, when we feel worn down, we need a chance to "recharge." Women need an opportunity to fellowship and strengthen one another through Christ.

When: March 1, 2025

Recharge 2025 Speaker and Theme

Colleen Dick is an ordained elder in the Free Methodist Church and is currently serving as the Lead Pastor at Encounter Church in Milan, PA. Colleen is a gifted preacher and teacher who loves assisting the Holy Spirit in introducing people to Jesus and who longs to see the Church revived and on fire for God. In her teachings she seeks to inspire Christians to turn up the spiritual heat in their lives, challenging them to move from lukewarmness to “habanero” hotness. God has given Colleen a supernatural love for people and a message for those living on the margins that no one is outside the boundaries of God’s love. Colleen and her husband Brett have been married for twelve years and have two children, Alexa and Jameson. Colleen loves reading, hiking, football, and spending time on the lake. But above all else, she loves Jesus.

The One Whom My Soul Loves

Love stories saturate our culture, in our movies, novels, and music. In fact, we are hard pressed to go anywhere without bumping into a love story, and some of us might enjoy that more than others. When we’re young, the idea of romance makes us giggle or blush. If we’re older and have been married awhile, we might be thinking, “I would give anything for a little romance in my life.” But if we’ve been hurt by someone to whom we gave our heart, the thought of any type of love story might cause us to roll our eyes in exasperation. Or, some of us might have longed to experience our own love stories, but it feels as though it's just not meant to be.

Wherever you are on your journey, what if someone told you that the greatest Lover of all time longs to sweep you off your feet? In the most celebrated love story ever written, we find the most romantic love song ever composed in the Song of Solomon. It’s a ballad of fiery, passionate love. It’s a song of furious longing and boundless affection. The prophetic words of this song woo us into the arms of the One who promises to love us unconditionally and unrelentingly. And what if someone told you the lyrics of this song are written just for you? We are the bride in this love song, and Jesus is the groom who is passionately pursuing us to reveal his heart of love for us. As we hear the words of this love song, it will reignite our affection for our First Love and transform our lives as it teaches us that true intimacy with the One whom our souls love is the greatest delight we will ever know.
